Selectmen's Meeting

AUGUST 12, 1986 - by VIRGINIA ARRAL

SERIOUS PROBLEMS AT OLD ROCHESTER REGIONAL HIGH SCHOOL ARE GROWING WORSE

What has been developing into a serious problem at Old Rochester Regional High School with a leaking roof in the gym section has culminated in a Cease and Desist Order issued August 11th by Mattapoisett Building Inspector David E. Crook.

The order cites regulations of the state building code as being violated and that the school must cease and desist occupying or utilizing the areas at the high school which the building inspector posted as being condemned. These areas include the boys' locker room weight lifting room shower, an apparent storage room and an office with attendant hallways, all located northerly off the gymnasium.

The cease and desist order, addressed to Mrs. Kathleen P. Reis, Chairman, Old Rochester Regional District High School Committee, cited the following conditions found during Mr. Crook's inspection:

1. An inch of water on portions of the floor of the boys' locker room. All other rooms showed evidence of being wet or were partially wet at the time of my inspection.
2. In several of the areas, water was dripping from overhead light fixtures and electrical wall plates. Black scorch marks around the electrical wall plates were present indicating fire from short circuits.
3. Water soaked ceiling falling away from the ceiling supports. Portions of the ceiling on the floor.
4. Electrical overhead lights disconnected and replaced with incandescent bulbs hanging from exposed wires in violation of the state electrical code.
5. With these conditions present, there were two (2)

young men using the weight room and the locker room. These rooms had serious safety hazards with regard to the water and electrical problems.

6. There now exists a serious question as to the integrity of the structural support of the ceilings and roof and the electrical wiring in the above described areas.

The seriousness of these violations cannot be over emphasized. The safety of the students of the Old Rochester Regional High School and the athletic program is being used as a political ploy between school administration, town officials and citizens of Mattapoisett, Marion and Rochester. It has to stop and these problems must be addressed TODAY.

I am astounded that the school administration has allowed the physical plant to degenerate to such a deplorable condition and suggest that from now on there be planning and budgeting for maintaining the plant to prohibit the remaining portions of the high school and the junior high school from deteriorating to a similar state.

You or your representative is hereby ordered to meet with me in my office on or before August 19, 1986 to discuss corrective measures for the above described conditions.

Said area is not be occupied or utilized without a direct written order from this department.

You are hereby advised that pursuant to Massachusetts General Laws Chapter 40A you have a right to appeal this cease and desist order as it applies to general laws chapter

40A, to the Mattapoisett Board of Appeals.

Further, you are hereby advised that pursuant to Massachusetts State Building Code, you have a right to appeal to the State Board of Appeals pursuant to Massachusetts Building Code Section 126. Said appeals must be taken within forty-five (45) days of this order.

Your attention is called to the provisions of section 121 of the state building code which provides for a fine of up to $1,000 per day for a violation of the code.

You are further advised that the town by-laws and the Massachusetts State Building Code carry criminal provisions and in the event that you fail to comply with this cease and desist order, the town will reserve the right to apply for a criminal complaint.

Selectmen Chairman John DeCosta remarked that each of the three towns agreed to share the cost of repairing the roof. He said that Mattapoisett voters approved $11,000 to repair the roof but that Marion and Rochester did not vote any funds. Each had their own reasons for their actions, DeCosta noted.

Selectman James F. Huntoon, Selectmen's representative to the ORR Advisory Committee, said Mattapoisett's Building Inspector David Crook will meet with the ORR District School Committee this week. "At that time, hopefully, some decisions will be reached for solutions to both the sewer and roof leak conditions," Huntoon said. He added that the school committee takes the view the

funds should not come from the capital budget, but that it should be voted on separately by the three towns. The amount of the cost of the roof repair is $22,000 to handle the immediate leak problem, commented Huntoon, and Mattapoisett has voted its share amounting to $11,000. Marion and Rochester did not vote their share -- and that's where the problem sits at this time.

In other business, Selectmen:

RECEIVED A LETTER from William Hyde, a year-round resident of Alton, New Hampshire and a summer resident of Plymouth, Mass. who attended the hearing on windsurfing at Ned's Point Veterans' Park.

Hyde wrote, "I consider Buzzards Bay off the coast of Massachusetts a national resource just as I consider the White Mountains National Forest in New Hampshire a national resource, and I think both should be available to the people of this country. By comparison, access to Buzzards Bay is very restricted, whereas I cannot think of a town bordering the White Mountains National Forest that restricts parking to exclude people from the forest." (In addition, he noted in his letter, restrooms are available at all the lake, beach and mountain areas he mentioned.)

Additionally he wrote, "I was on the shore of Billington Sea, a body of fresh water in Morton Park, Plymouth, when a couple came and launched a canoe. It wasn't until they turned their vehicle around and parked it, that I noticed the 'Mat-

tapoisett - It's Special' bumper sticker, so hastily. I tried to explain why I was writing this letter and asked their names. The lady responded, 'You want my maiden name, Heuberger, there was a saying that you couldn't discharge a shotgun in Mattapoisett without hitting a Heuberger', as they paddled off.

Hyde wrote the obvious question is: "If the Heubergers can canoe in Plymouth, why can't the Hydes windsurf in Mattapoisett?"

MET WITH Mrs. Milton King of North Street who complained about the fast driving on North Street (near Shady Oak Drive) saying cars are going much faster than the posted 45 miles per hour and that there was no dividing line in the road between Route 195 and the Rochester line. Selectmen agreed to have Highway Surveyor Manuel R. Nunes check the dividing line and have the police department keep an eye on that section of road and to request the state DPW conduct a survey on the speed on North Street.

On another matter, Mrs. King said there seemed to be a new crop of moths developing near her home since the spraying. "I don't know the life span of the gypsy moths, but it sure looks like more are developing," she said. She added that she has Bourne Knowles spray but with little effect. Chairman DeCosta said when Proposition 2½ came into effect a lot of towns dropped gypsy moths spraying. "We will be checking into the insurance costs." Selectman Frank Suzan said it's possible to rent the equipment but hire John F. Denham to do the spraying, thus having him as an employee and not having to carry

the responsibility.

MET WITH David Hughes, Rochester Selectman, to inform the Selectmen regarding the violations of Conrad Roy on Wolf Island Road, Rochester which could spread into Mattapoisett's river valley. Hughes said he was letting the Selectmen know as a courtesy because of the town's water supply.

Hughes said Rochester's Conservation Commissioner Georgia Chamberlain received a letter of complaint about Conrad Roy's tree farm. Under the town by-law, the storage of materials must be confined within a building and there should have been a 50 foot buffer erected under the terms of the Conservation Commission permit, but Roy cut down trees to the boundary line; then he had to plant small seedlings, so it will be quite awhile before it can be considered a buffer zone, Hughes explained.

DeCosta said the Board will send Building Inspector David Crook to check the problem and see how it

mate complaints will be dealt with immediately, Mrs. Eubanks wrote.

WERE NOTIFIED by Pierce Manufacturing of a price increase in the price of the new fire truck the town is scheduled to purchase from the company. Fire Chief Donald C. Wood informed the Board he felt sure the new contract will be ready before the price increase goes into effect on September 30, 1986. Chairman DeCosta said Town Counsel Donald J. Fleming is working out the details of the contract and expects it to be ready before the increase deadline.

WATER DAMAGE IN THE ATHLETIC DEPARTMENT IS EVIDENT IN THE ABOVE PHOTO AS CEILING DAMAGE, HANGING INSULATION AND MOLD. THIS IS IN AN ANNEX ON THE NORTH SIDE OF THE BUILDING AND THE MOST DAMAGE HAS BEEN DONE TO THE WESTERN END OF THAT BUILDING TO A SHOWER CEILING, EQUIPMENT ROOM AND MEDICAL SUPPLY ROOM.

Let's keep Mattapoisett special for our children!

Operation Clean Sweep '86

To date, we have $1,289.55 in our account for a household hazardous waste collection. We need $1,762.97 for Mattapoisett, which leaves $473.42 to be raised. It is quite probable that we will be scheduled for a collection date in October. This means we need your cooperation to help us obtain the remaining money needed.

Do YOUR share to help keep Mattapoisett Special!

Please send your contribution to: Treasurer, Mattapoisett Household Hazardous Waste Committee; and mail in care of the Board of Health, Town Hall, Mattapoisett, MA. 02739. Thank

MOW MORE, MOW FAST AND MOW WITH LESS EXPENSE

ONLY $5999

...BY USING THE WHEEL HORSE 718-Z COMMERCIAL MOWING MACHINE.

At its normal mowing speed of 6.5 mph (over 2 acres an hour), the 718-Z gets the job done *fast*. And its superior true-pivot turning ability makes it easy to maneuver around time-consuming obstacles that other commercial riding mowers must leave for the trimming crew.

The Wheel Horse 718-Z Commercial Mowing Machine features: ■ 18 HP Kohler Magnum Engine with electronic ignition ■ Shaft-driven, dual path Eaton #7 hydros for easy control of speed and direction ■ Low-pressure, all terrain tires for a smooth ride and cut ■ Foot-activated control adjusts height from 1" to 6", without tools ■ 50" mowing deck features blades that are sharpened from tip to hub for a complete cut at 6.5 mph ■ 6 gallon fuel capacity for hours of mowing without refueling ■ Accessible design for low labor and maintenance costs ■ Optional attachments available

Friendly Sea Serpent comes to Town

As the colorful sea serpent wound its way through the streets of the village from the Town Beach to the Town Hall, it was being propelled by a group of youngsters from the summer playground program, who created the friendly "monster".

Led by Pam Hiller, playground supervisor, and Lynn Walsh, arts and crafts instructor, the children created a sea serpent named "Lee" and displayed their efforts last Tuesday to Selectmen and Town Hall employees on the steps of the Town Hall.

Eight-year old Michael Burns read a composition written jointly by the youngsters telling of the tale of the friendly sea serpent. Mrs. Hiller said the program, which ran from June 30 to August 22, averaged 20 to 30 youngsters each day. The sea serpent's body is made of chicken wire, strips of plaster and given a colorful outer "skin" of varied co-

lored paper.

The tale is as follows: "A long time ago, on a hot summer's day, there once came a creature out of the sea. The children of the town named him Lee. He was pretty and colorful but very lonely. He had no friends. All the children at Recreation were very scared of Lee. He had large white teeth and fire came from his nostrils.

"One day the children went to the Town Beach swimming. Lee saw them and wanted to play. The children were frightened! He started to cry. They felt so bad for Lee, that they asked him to play. He was so happy and he made friends with all the children. But soon 2:30 came and they had to leave Recreation.

"Sadly they said their goodbyes. Then Lee finally discovered he would

never be lonely again. The children never forgot Lee and wait for his return on some hot summer's day."

A letter written to Mrs. Hiller and Miss Walsh and signed "from all of us kids" thanked both for all the "fun things we did this summer at Center School, and we hope it is the same next year."

On behalf of the Board, Selectmen Chairman John DeCosta thanked the youngsters for sharing their creation with everyone and to the supervisors, Mrs. Hiller and Miss Walsh, for their inspiring leadership as part of the Town's Recreation Program.

Mrs. Hiller said the program went very well this year. She said their only problem was caused by the weather. "When it rained we had to cancel the day's events because we couldn't conduct the class in Center School, as only our materials could be stored there," said Mrs. Hiller.

Philip's spring has for generations been known to the inhabitants of the region. Its pure and cool water has for ages flowed up through the sand in a constant stream. To a lover of good water, a visit to this spring is a matter of course. The source of the spring lies in the hilly region to the north, where the water permeates the rocks and loose strata to some depth. A small building has been put over the spring, and a tank and stone pipe have been arranged, so that any quantity of water may be drawn out when needed.

"The water is very cool, and flows at the rate of 200 barrels a day. If you want to enjoy life for once, throw down the whiskey bottle and go out to King Philip's Spring".

(end of THE BUZZARDS'S quote)

The spring is still there off Crystal Spring Road and until the early 40s it was bottled and sold locally. The water is pure and year round is 40 to 42 degrees. Car-

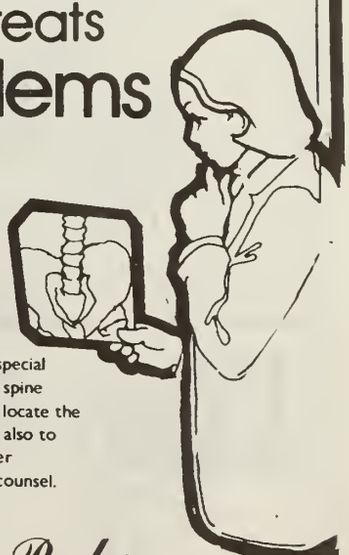
Here's how Chiropractic treats Back Problems



Persistent or recurring aches in the lower back and limbs may suggest a possible lower spinal or pelvic problem. This often requires a structural correction of the cause in order to relieve the condition. Although drugs may hide the pain temporarily, the spine and sacroiliac must be aligned to their proper position for normal function.

The doctor of chiropractic has made a special study of conditions related to the sacroiliac, spine and nervous system. She seeks to not only locate the problem and give relief from symptoms, but also to correct the fundamental cause as well as offer preventive, rehabilitation, and maintenance counsel.

Mattapoisett Kindergarten

OPENING OF SCHOOL - SEPTEMBER 3

On the first day of school, Wednesday, September 3rd, an Orientation Day will be held for the Kindergarten students of Center School, Mattapoisett. For thirty minute sessions students accompanied by their parents will visit their assigned Kindergarten classrooms. Classroom assignments will be posted on the bulletin board at the Barstow Street entrance to the school. During this half hour session parents will meet with the classroom teacher while the children visit with classmates and explore their classroom.

Parents who have not completed their child's registration are asked to bring the certificate of birth and required health data (medical examination) with them on this day. Registration can be completed in the office prior to or after the orientation session.

Thursday, September 4th, will be the first day of instruction for Kindergarten students. Students will be bused as per Center School bus schedules published.

Kindergarten hours are: morning session, 8:30-11:15 a.m.; afternoon session, 12:00 noon to 2:45 p.m.

The schedule below is to be followed for Orientation Day only. Students are listed according to the sessions they will be attending:

A.M. SESSIONS:

8:30-9:30: Rory Apperson, Heidi Baker, Sarah Bassett, Amy Bowman, Andrea Bowman, Edna Bowman, Matthew Costa, Peter Dahill, Kimberly Davis, Grant Denniston.

9:00-9:30: Kristen Desouza, Phillip Dixon, Erin Driscoll, Jennifer Dutra, Andrew Fatula, Neil Fleury, Sara Francis, Jessica Grondski, Erin Hackett, Kurtis

you.

Athletes and their families are reminded that practices start before school starts. A team will still accept athletes when school starts, but it is an advantage to start with everyone else.

Football: Non-contact conditioning practices will take place on August 21st, 22nd and 23rd. Athletes should report at 8 a.m.

All sports will start regular practices on Monday, August 25th, at 8 a.m. Please contact your coaches for further details, necessary supplies, and lunch schedules.

Due to the condemning of the boys' locker room, many changes and options are being discussed and worked on. We have lost our lockers for male athletes and gym classes, trainer's room, medical supply closet, soccer storage, football storage, large weight training room, varsity room, coaches' office and lockers, boys' physical education closet and instructor's area, boys' whirlpool, boys' bathroom, boys' shower area, and visiting team locker area. We hope to have everyone's help and cooperation in working through this very difficult time.

Athletes are reminded that school insurance must be purchased when their homeroom teachers hand them out in order to be eligible to play.

M.I.A.A. academic requirements state that students must be passing 20 credits of work in order to play.

During the year the grades are checked by each quarter; at the end of the year it is based on the cumulative average.

Please feel free to call the ath-

GIRLS' VOLLEYBALL TRY-OUTS

Try-outs for this year's squad will begin on Monday, August 25th, promptly at 9 a.m. We will practice until 11 a.m. and then break one-half hour for lunch. Practice will then resume at 11:30 and will end at 1 p.m. All practices are mandatory unless you have already spoken to the coach.

Kate Dawson, Shannan Fales, Sarah Harrison, Katie Harrison, Jessica Hart, Melissa Horan, Erin Hoye, Heather McCullough, Nicky Regan and Abby Smith. Being their coach this past season, the happy times that I spent with these girls both at practice and at the games, gave me great pleasure. Their exceptional sportsmanship, comradeship to each other, willingness to learn more about the game and tying for first place, 9 and 1, make these girls a real winning team.

I would also like to thank Christine Knight who participated in one of our practices.

Mattapoisett and Rochester have reason to be proud of all the girls who take part in this league.

workshop coordinator for children, the handicapped and the elderly. Bette's commissioned works range from portraits to sign lettering to large scale murals. On August 22nd she will present "an installation", which will combine sculpture, paint and other mysterious mixed media that must be seen and experienced, as words can not adequately describe this unique art form. Ms. Carney states: "This show is dedicated to my Mom, Hilsan, who bought me such things as a red one-strapped Tarzan type bathing suit back when I couldn't yet appreciate her good taste."

Edward Condon also received his B.F.A. from Southeastern Massachusetts University.

been named to the Dean's List at Simmons College in Boston for the spring semester.

Miss Tinkham will be a junior at Simmons in the fall. She is a physical therapy major and is a graduate of Old Rochester Regional High School.

Simmons College is a private, non-sectarian institution for undergraduate women and graduate men and women. The college was chartered in 1899, welcomed its first class in 1902, and since its founding has provided first quality education for women. The Simmons philosophy of liberal education enables students to combine the arts, sciences and humanities with professional preparation in a variety of fields.

NAMED TO DEAN'S IIST AT WENTWORTH

Named to the Dean's List for scholastic achievement during the second semester at Wentworth Institute of Technology in Boston were local residents: Diane Rogers of Mattapoisett, Architectural Engineering Technology, and Brett Sherman of Rochester, Building Construction Technology.

Wentworth, situated in the educational-cultural center of the Boston Museum of Fine Arts and other colleges, graduates engineering and industrial technicians and engineering technologists in programs leading to Associate in Engineering, Associate in Applied Science, Bachelor of Science, and Bachelor of Architecture degrees. The junior and senior years in the baccalaureate degree programs are conducted on a co-operative basis whereby students alternate semesters between classroom-lab studies and paid employment in industry. Wentworth has the largest engineering technology co-operative education program in New England.

UNITED BRASS QUINTET
"MUSIC IN THE GARDEN" SERIES

The United Brass Quintet will perform on August 21st at 6 p.m. in the Garden at the Rotch-Jones-Duff House & Garden Museum, located at 396 County Street in New Bedford. The sponsors for the evening are Iang, Straus, Xifaras & Bullard and G. Bourne Knowles, both avid supporters of historic preservation. The concert is free and open to the public.

Well-known for their balanced blend of classical and popular music, the August 21st performance, entitled "Famous Signature Tunes", will feature recognizable themes of people, places and events. Along with the William Tell Overture, the program will highlight the "Musical Signatures" of such notables as Fats Waller, Tommy Dorsey and Monty Python.

This will be the last appearance this summer for the Quintet at the current "Music in the Garden" series after several well-received performances. The Quintet is composed of Theodore Haines, trumpet; Robert Ferrante, horn; Arthur Mahoney, trumpet; Robert Nichols, trombone; and Steve Shaw, tuba.

Each Thursday evening in the summer, the "Music in the Garden" series commences at 6 p.m. The public is welcome to come and

Plimoth Plantation

NEW FORT/MEETINGHOUSE TO BE RAISED

A new reproduction of Plymouth Colony's original fort/meetinghouse is being raised this week at Plimoth Plantation. A team of skilled New Hampshire timber-framers will combine techniques of early 17th century craftmanship with modern technology to erect a replica of what was once Plymouth's most important civic and spiritual building. Visitors may view the assembly of this unique two-story structure daily from 9 a.m. to 5 p.m. throughout the week of the 18th and are welcome to talk with Plantation staff members stationed on the site.

The fort/meetinghouse will be made of native white oak; hand-adzed beams accurately reflect the detail of 17th century woodworking techniques. The entire post-and-panel framework weighs nearly ninety tons and includes two 3000 pound tie beams, each thirty feet long. The structure is remark-

able for its close studding, having 4" by 7" studs placed twelve inches on center. One-inch-thick oak planking rabbeted between each stud will form the fort walls.

The crew will assemble the plates, posts, sills and planked studs of each wall section on a site just beyond the palisade of the 1627 Village. After the wall sections, called "bents", have been prepared, the crew will raise each first-story section using ropes and human strength. The workmen will "walk" each bent up to a standing position, using "pike poles" if necessary to continue the lifting beyond arm's reach. A modern crane will be used to raise the massive tie beams and much of the second story. As adjoining sections are raised, workmen will fasten the mortise-and-tenon corner posts together with hand-cleft wooden pins, "treenails", of oak. The second level of the structure will be crowned by a low-pitched roof covered with hand-split pine shingles.

The new building replaces Plimoth Plantation's first fort/meetinghouse reproduction which was built on the Plymouth waterfront in 1953. That structure was moved to the museum's present site on Warren Avenue in 1958. The museum began investigating the possibility of replacing

the weatherworn fort last year. This major project became possible when a donation to rebuild New England's first fortified meetinghouse was received from Mrs. Verna Ross Orndorff of Duxbury, MA. and River Forest, IL in December of 1985. Mrs. Orndorff, a Mayflower descendant and Plimoth Plantation trustee, made the contribution to the Plantation in memory of her mother, Mrs. Blanche S. Ross.

Because few historical details have survived concerning the original 17th century fort/meetinghouse, the museum sent a research team to England to confer with leading architectural historians on a design for a new, more accurate building. Richard Harris of the Weald and Downland Museum in Sussex, England designed the current structure based on vernacular English architecture of the period and the few original source references to the Plymouth Colony fort. Massachusetts architect Jack Sobhan produced the working blueprints from this design, according to museum specifications.

The Dovetail Woodworking Company of Winchester, NH, working in conjunction with the Plantation, has undertaken the construction of this unusual building. Richard Lawson, head of Dovetail Woodworking, specializes in timber-frame housing and currently employs a staff of 15 woodworkers. Dovetail craftsmen prepared the meetinghouse timbers at their New Hampshire workshop, using a combination of modern and traditional tools and techniques.

Construction of Plymouth Colony's original fort began in June of 1622 and took ten months to complete. It was built to keep the town secure against possible Indian attack, but its lower section was also used as the meetinghouse for the Separatist congregation and as a courthouse for civil proceedings. The new reconstruction will be appropriately furnished for worship with an enclosed preaching pulpit, lectern and deacon's pew with a poor-box to collect the donations of church members. The pulpit enclosure also served as a jury box during trials. The building's use for defense will be evident in the gun-ports built into the structure and the repro-

duction ordnance commanding the view from the upper story. The museum will use the new fort/meetinghouse in its normal interpretive program and for special educational workshops.

Plimoth Plantation is the outdoor living history museum of 17th century Plymouth. Its exhibits include the full-scale replica Mayflower II, the 1627 Pilgrim Vollage and a Wampanoag Summer Campsite. Located on Warren Avenue (Route 3A), three miles south of downtown Plymouth, the museum is open daily from 9 a.m. to 5 p.m. Admission to the Village and Campsite is $6.25 for adults, $3.75 for children 5 through 12. A combination ticket is $8.25 for adults, $5.25 for children. Children under 5 are admitted free.

SALT MARSH ECOLOGY
A HISTORICAL PERSPECTIVE

Salt marshes are one of the most productive lands on earth. In addition to providing refuge for a myriad of organisms, these grassy wetlands filter natural wastes from the terrestrial environment and, in turn, nourish the oceans annually with millions of tons of detritus (decaying plant and animal matter).

The salt marshes of Buzzards Bay have witnessed many changes since

ESSAY CONTEST ANNOUNCED BY BUZZARDS BAY DAY ORGANIZERS

"What does Buzzards Bay mean to me?" is the theme of an essay contest being run in conjunction with Buzzards Bay Day. The purpose of the contest and of Buzzards Bay Day are to raise public awareness of Buzzards Bay and to solicit public opinion about the future of the Bay. Both are associated with the EPA-funded study of Buzzards Bay which is developing a master plan to protect water quality and the Bay's living resources.

Chris Sampson, representative to the Buzzards Bay Day Committee from Marion and chair of the essay contest subcommittee, said, "We are interested in receiving essays from all age groups. Winners will be chosen in the following categories: grammar school, middle school, high school and adult. Length of essays

Ear Piercing $6.00 COMPLETE

should be under 300 words for grammar school, under 500 words for middle school and under 1000 words for high school and adult. The winning essays will be published in the report on Buzzards Bay Day and will be released to the press. In the next few weeks we will be approaching school departments in the towns along Buzzards Bay to ask them to encourage their students and teachers to participate in the contest. We are especially interested in essays from children, senior citizens and from those who make their living from the Bay". Deadline for entries is October 5th.

Essays should be sent to: Essay Contest, Buzzards Bay Day, 430 Potomska Road, South Dartmouth, MA. 02748.

Yard Sale

The Wareham Area Counseling Service will hold a yard sale at their thrift shop location (177 Main Street Rear, Wareham) on August 30th from 10 a.m. to 2 p.m. Clothing for all family members will be included in this first time yard sale as well as selected household items. The shop will be accepting consignments and donations of fall clothing commencing August 28th (limited to ten items).

Anyone interested in donating their time for a few hours a week should contact the shop manager, Yvonne Comeau, at 295-4303.

BUS ROUTES

NOTICE TO PARENTS

Below are the school bus routes for the Old Rochester Regional School District and Superintendency Union #55 for the Towns of Marion, Mattapoisett and Rochester for the school year 1986-1987. The scope of transportation services are the same as they were for 1985-1986. Routes have been modified slightly to accommodate new membership. Any questions regarding the bus routes and stops which effects your child should be addressed to Andrew J. Santos, Associate Superintendent for Business, 758-2772, or your School Committee Representative.

The School Committees recommend and appreciate parental participation and support at bus stops prior to bus arrivals.

LATE BUSES

There shall be daily late buses at 3:30 p.m. and 5:00 p.m. from Old Rochester Regional Jr. and Sr. High Schools. Please note that late bus routes as listed have been premised on express services to specific stops in the respective towns. A student riding the late bus can select a stop that is no greater than 2 miles from his or her home. In some instances, this will require prior planning on the part of parents to pick up their child from these predetermined stops.

Teachers' Leadership Conference

Two area teachers were among 800 who attended the 15th Annual Massachusetts Teachers' Association (MTA) Summer Leadership Conference, August 11-15, at Williams College in Williamstown, MA.

Sharon Hartley and Sandee Freitas, representing the Rochester Memorial Teachers' Association, participated in the week-long conference. Its theme was "We Touch the Future", a tribute to Christa McAuliffe, the Concord, New Hampshire teacher who died in January's Challenger explosion. Keynote speakers for the conference included Governor Michael Dukakis, editor of the Oklahoma Observer and award-winning education writer Frosty Troy, Commissioner of Education Harold Reynolds, Jr., and Jim Lewis, a member of the National Education Association Executive Committee. Training sessions, workshops, and special events focused on leadership responsibilities in the areas of communications, local administration, labor relations, political involvement, and professional development.

Hartley, president of the Rochester association, was also a presenter at the conference. She was contacted earlier this year by Rosanne Bacon, MTA Vice President, and asked to conduct a workshop on the management of a successful local association. Hartley's workshop was attended by some 30 local association presidents.

Coastline Elderly Services

SENIOR SPEAKOUT SERIES

You can make your voice heard on matters affecting older people in your community by participating in one of five local Senior Speakout forums. Help Coastline Elderly Services, Inc. and your local Council on Aging plan services and programs that are responsive to the needs of older people in your community.

Is transportation a problem for area elders? What are the housing and employment issues facing older people? Are medi-gap insurance policies and forms too confusing? Is accessible, affordable health care available? Perhaps you are caring for an older person. What problems are you encountering as a caregiver? Come share your ideas and experiences. "Speakout" about what programs and services seniors want and need.

The schedule for the Senior Speakout Series is:

Monday, August 25, 10:00 a.m., City of New Bedford/Buttonwood Library, Rockdale Avenue, New Bedford.

Tuesday, August 26, 10:00 a.m., Dartmouth Council on Aging, 628

LEGAL ADVERTISEMENTS

TOWN OF MATTAPOISETT, MASSACHUSETTS
NOTICE PUBLIC HEARING

The Board of Health is holding a Public Hearing with the residents of the Leisure Shores and Brant Beach areas together with representatives of the rubbish contract holder. The purpose of the hearing is to discuss the condition of the private roads in these two (2) areas, and what can be done to improve the roads so that rubbish can continue to be collected at the curbside.

The hearing will be held on Tuesday, August 26, 1986 at 7:30 P.M. in the Town Hall Conference Room. This letter is being sent to families in the above area that appear in the Town of Mattapoisett's Annual Street Listing. We have included a second copy of the letter, and ask that you share it with a friend or neighbor who might not receive one, such as a summer resident or a new resident.

We urge that you attend this hearing which will have an effect upon the rubbish service for your area.

MATTAPOISETT BOARD OF HEALTH

Applications are reviewed by panels of artists from out-of-state and their decisions are based solely on the artistic merit of the work submitted for review. The artists' identities are unknown to the panelists.

The Fellowship Program is administered by the Artists Foundation, a public, non-profit organization serving artists statewide and funded by the Massachusetts Council on the Arts and Humanities, a state agency. For a Fellowship application contact: Fellowship Program, The Artists Foundation, 110 Broad Street, Boston, MA. 02110; telephone 482-8100.

Buzzards Bay Project

CHAIRMAN NAMED

Christopher Sampson was recently appointed chairman of the Buzzards Bay Day Committee. Scheduled for October 11th (rain dates October 12 and 13), Buzzards Bay Day will feature tours in each shoreline community. The goal of the event is to increase public awareness of the Bay -- both its positive aspects and its problems. Initiated by the Citizens Advisory Committee for the EPA-funded Buzzards Bay Project, the event is being organized by the Buzzards Bay

Day Committee which has a volunteer coordinator from each Bay town.

Representative to the committee from Marion, Mr. Sampson works at Sippican as an advertising coordinator. A 1980 graduate of Harvard, Mr. Sampson has lived in Marion since 1983. He said, "I am delighted to serve as chairman of the Buzzards Bay Day Committee and to support the EPA's Buzzards Bay Project. Buzzards Bay is an important resource which we, the coastal community cannot take for granted. Our goal is to increase awareness of the Buzzards Bay Project becuase public support and participation is key to its long term success."

Launched in 1985, the Buzzards Bay Project is aimed at cleaning up those areas of the Bay now closed to swimming, fishing and shellfishing and protecting those areas of the Bay which are currently in good health. Currently, the project is in its early stages, doing scientific work to assess the state of the Bay and its sources of pollution. Within the next few years the project will determine methods for reducing pollution. Choices on pollution control methods will be based both on the results of the scientific studies

Children's Museum

HOTTEST DANCE OF THE SUMMER

August 23rd, 8 to 12, under the big pink and white tent at the Children's Museum will be the hottest dance of the summer.

Live music by "Congress", the popular band playing MOTOWN, and break times with Jimmy Jay, insures non-stop dancing and fun for all! Hot music, cool drinks, what a great way to spend a summer's night.

Tickets are $10.00 per person and are available at the Children's Museum, Bridge Street Cafe and the night of the dance at the door.

This is a potential sell-out, so don't miss your chance for fun; buy your tickets now!

The Children's Museum is located at 276 Gulf Road in South Dartmouth. For more information call the Museum at 993-3361.

ANNUAL ROAD RACE

The Children's Museum in South Dartmouth will hold its 3rd Annual 10 Kilometer Road Race and fun run on Sunday, September 28th, at the Museum. Runners and their families will be admitted free to the Museum the day of the race.

The 10 Kilometer race, which proved to be a popular and well-attended event last year in the wake of Hurricane Gloria, will begin at 11:00 a.m. Pre-registration for the 10K race is $5.00 until September 19th. Post entry fee is $7.00.

The one-mile fun run, which is free for all ages, is scheduled for 10 a.m. All participants in the one-mile cross country fun run on the Museum grounds will receive an award. No registration is required for the fun run which will be preceded by warm-up and stretching exercises for all participants.

Included in the entry fee for the 10 Kilometer race are refreshments

after the race, free admission to the Museum for runners and their families, and long sleeve T-shirts to the first 200 entrants. Gift certificates and prizes from area merchants will be awarded to the winners as well as raffled off to the 10K Road Race registrants.

Michael Cote of the Greater New Bedford Track Club won the race last year in the wake of Hurricane Gloria with a time of 33:02, while Deb Gabriel was the woman's winner in 42:34. Winners in 1984 were Joe McCarthy and Jean McNerney.

The course consists of a scenic Harborside run starting at the Children's Museum, traveling east on Gulf Road, right at Smith Neck Road, right at Rock-O-Dundee Road, right on Bakerville Road, right on Gulf Road and finishing at the Museum.

There will be six divisions for male and female runners: Junior (13 and under), High School (13-18), Open (19-29), Submaster (30-39), Master (40-49), and Senior (50 and over).

Runners may register at the Museum which is open Tuesday through

Rick Mitchell

RANDY SMITH REAL ESTATE is pleased to announce that Rick Mitchell is joining its sales team. Rick lives at 3 Eldorado Drive in Mattapoisett with his wife, Suzan, and two sons, Nicholas and Nathan.

Rick is the coordinator of Cooperative Education at Old Colony Regional Vocational Technical High School in Rochester. He has been a member of the Mattapoisett Arts Council for five years, serving as Chairman for two. He has also been employed by WBSM Radio as a news reporter and announcer.

Rick holds a Bachelor's Degree in English Literature from the University of New Hampshire and a Master's Degree in Education from Bridgewater State College. His interest in real estate comes from the conviction that there is no better way to achieve financial security.

YOUR HOUSE WANTS TO SEND YOUR KID TO COLLEGE.

Turn your home equity into cash for any good reason.

Your home is one of the biggest and best investment decisions you've ever made. As its value has increased in recent years, you've built up a substantial amount of equity. Now you can put that equity to good use with a Home Equity Loan or Line of Credit from Fairhaven Savings Bank.

With a Home Equity Loan, you get your money up-front, to use as you wish. With a Home Equity Line of Credit, you can access your money whenever you want, just by writing a check. No matter which account you choose, you'll pay a competitive interest rate.

In as little as 48 hours, we'll process your application for a loan or line of credit from $5,000 to $100,000 (or 75% of the assessed value of your home).

What's more, for a limited time, we'll waive all attorney, appraisal* and application fees for which other banks charge up to $300.

For real convenience, we'll automatically charge your monthly payments to either your Fairhaven Savings NOW Checking, Charter Account or Money Market Statement Account.

Let your house send your kid to college, buy you a boat, meet your needs and fulfill your dreams.

Call 1-999-7000 and ask about a Fairhaven Savings Home Equity Loan or Line of Credit. Or stop into one of our convenient banking centers today!
